Interested in reducing your farm's energy costs?

New York farms can cut energy use and costs with NYSERDA's Agriculture Energy Audit Program.

- No-cost energy audits to identify opportunities to save energy and money on utility bills
- Technical assistance to help identify and access funding for energy efficiency projects
- Apply online at: nyserda.ny.gov/Agriculture

For more information call 1-800-732-1399 or email aep@nyserda.ny.gov
